NW Natural is our returning title sponsor for this year's event and will feature luxury homes with gas heating and gas amenities. We also welcome back DeWils and HomeStreet Bank as our presenting sponsors for the 2019 show. Builders featured (at this date) in this year's show include: Cascade West Development, Glavin Homes, MC Custom Homes, Affinity Homes and for the first time – a remodeled home by Forged Custom Homes!

Home prices are projected to range from \$1.5 million to over \$2 million in price and expect to see homes with square footages in the 3,000 to almost 5,000 range. "You will see fine craftsmanship, innovative design, a fully remodeled home and of course fresh décor ideas by some of the Building Industry Association's top designers. We know this setting in Camas overlooking the Columbia River will make for a beautiful show," said Avaly Scarpelli, Executive Director for the BIA.

The NW Natural Parade of Homes is produced by the Building Industry Association of Clark County. For the past 41 years SW Washington's premier home show has become an annual tradition for families, couples and everyone looking for innovative ideas for building, remodeling, landscaping and the hottest interior design trends are always a draw. Homebuyers and those looking for inspiration for their own home will have plenty of options and ideas to explore at the show this September!
